10.00-10.40 OPENING / WELCOME SPEECHES

Organizer: Association of Croatian Pellet, Briquette and Wood Biomass Producers - Raoul Cvečić Bol, president 3'
Host: City of Zagreb - Marijan Maras, Principal of City Office for Energetics, Environment Protection and Sustainable Development 3'
Guests from the Region: Ministry of Agriculture, Water Management and Forestry, BiH - Danica Cigelj, Assistant Minister 3'
Forestry: Croatian Forests Ltd. - Zoran Pavlović, Commercial Director 3'
Relevant institutions: Ministry of Economy 3'
Patron: Croatian Bank for Reconstruction and Development 3'
Patron: Croatian Parliament - Ivo Jelusic, Delegate of the President of Croatian Parliament and Chairperson of the Committee on the Economy 3'
Opening: Government of Republic of Croatia, Ministry of Agriculture - Domagoj Krizaj, Assistant Minister 5'

10.40-11.00 BLITZ-QUESTIONS:
1. Technological and Personnel Constraints in the Pellet Production - prof. Stjepan Risovic, PhD, Faculty of Forestry, Zagreb 5'
2. Comments on the national energetic policy and RES position - Nikola Čupin, PhD, Association for Croatia Development 5'
3. State in Forests and Additional Options for Raw Material Supply - mr.sc. Vladimir Novotny, Croatian Forestry Institute Jastrebarsko 5'

11.00-11.45 UVODNA PANEL RASPRAVA (moderator Mladen Iličković, novinar):

11.45-12.15 INTRODUCTORY PANEL DISCUSSION:
BIOMASS AND PELLET MARKET - CHALLENGES IN THE SEE REGION AND EU
1. Overview of Regional Capacities, Production, Consumption and Foreign Trade Trends of Wood Pellets and Green Energy Export from SEE - prof. Branko Glavonjic, PhD, Faculty of Forestry, Belgrade 10'
2. The State of the European Pellet Market - mag. Christian Schlagwelt, Propelllets Austria 10'
3. Analysis of Pellets Quality from Croatia -Nike Krajnc, PhD, Slovenian Forestry Institute 10'

12.15-12.30 BLITZ-QUESTIONS:
The Role of Local Governments in the Planning of Power Plants - Dario Ban, City of Nova Gradiska 5'
Case study: Installation of Pellet Boiler in Karlovac - Karlo Rajic, REGEA 5'
Solid Fossil Fuels Examination Analysis - Antonija Beslic, HEP Production Ltd.

12.30-12.50 MAIN LECTURES
TECHNOLOGIES AND TECHNOLOGICAL PROCESSES
1. District Heating and Production of Electricity from Biomass – Burkhard Luedtke, Agroforest Austria 10'
2. Co-generation and Kohlbach System - Eduard Vitkovic, KBE Bioenergie 10'

12.55-13.30 LUNCH BREAK

13.30-15.00 WORKSHOPS

Session A: Moderator prof. Darko Motik, Secretary, Croatian Wood Cluster

13.30-14.30 THE ENERGY STRATEGY, RAW MATERIAL ISSUES, RURAL DEVELOPMENT AND ADMINISTRATIVE PROCEDURES
1. Basic Features of Market Forms of Solid Biofuels - prof. Zejko Zecic, PhD, Faculty of Forestry, Zagreb 10'
2. The Sale of Wood Assortments in Croatia - Darko Biscan, Croatian Forests Ltd.
4. Using Biomass for Heating Facilities and Settlements / Examples in Primorsko-goranska County - Viktor Dragicevic, PhD, Faculty of Engineering Rijeka 10'
5. Cultivation and Systematic Use of Biomass - Katarina Kozina, Eko Slavonja / Aleksandar Kovacevic OIES / Vjeran Piršić, Eko Kvarner 10'

14.30-15.00 PANEL-DISCUSSION (30')

1. Gлина / Biomass Heating Project - Vjekoslav Ribarevic, Ston-Ing Ltd. 10'
2. Biomass Energy Evolution - CHP Systems Uniconfort - Stefano Tura, Uniconfort 10'
3. Basic Characteristics of Boilers and Pellet Stoves - Sasa Sencar, Senko Ltd. 10'
4. Turboden ORC: A Proven Technology for Biomass Cogeneration - Ante Ivić, Exportdvo d.d. 10'
5. Boiler Technology for Biomass and Cogeneration - Robert Sajfert, Djuro Djakovic Koltovi d.d. 10'

15.00-15.30 PLENARY PART
Report of workshop moderators 15' / Discussion / Conclusions and recommendations of the participants 15' / Conference ending

15.30 DEPARTURE
